TCNDT 2026

TURKISH CONFERENCE ON NON-DESTRUCTIVE TESTING

Sponsorship
Document

organised by
TÜRK NDT

01 — Introduction to TCNDT

TCNDT '26 (Turkish Conference on Non-Destructive Testing 2026) is Türkiye's most forward-thinking event dedicated to the science, innovation, and applications of Non-Destructive Testing. Bringing together **industry leaders, academic experts, global manufacturers, inspectors, Level 3 professionals, NDT service companies, students, and regulators**, TCNDT positions Türkiye as a regional hub for NDT excellence.

TCNDT '26 is organized by the Turkish Association of Non-Destructive Testing (TÜRK NDT), which was founded on 19 April 2007 with the permission of the Ministry of Interior, bringing together professionals working in the field of non-destructive testing in Türkiye.

As a full member of ICNDT (International Committee for Non-Destructive Testing) and **EFNDT** (European Federation for Non-Destructive Testing), **TÜRK NDT represents Türkiye in the international NDT community.**

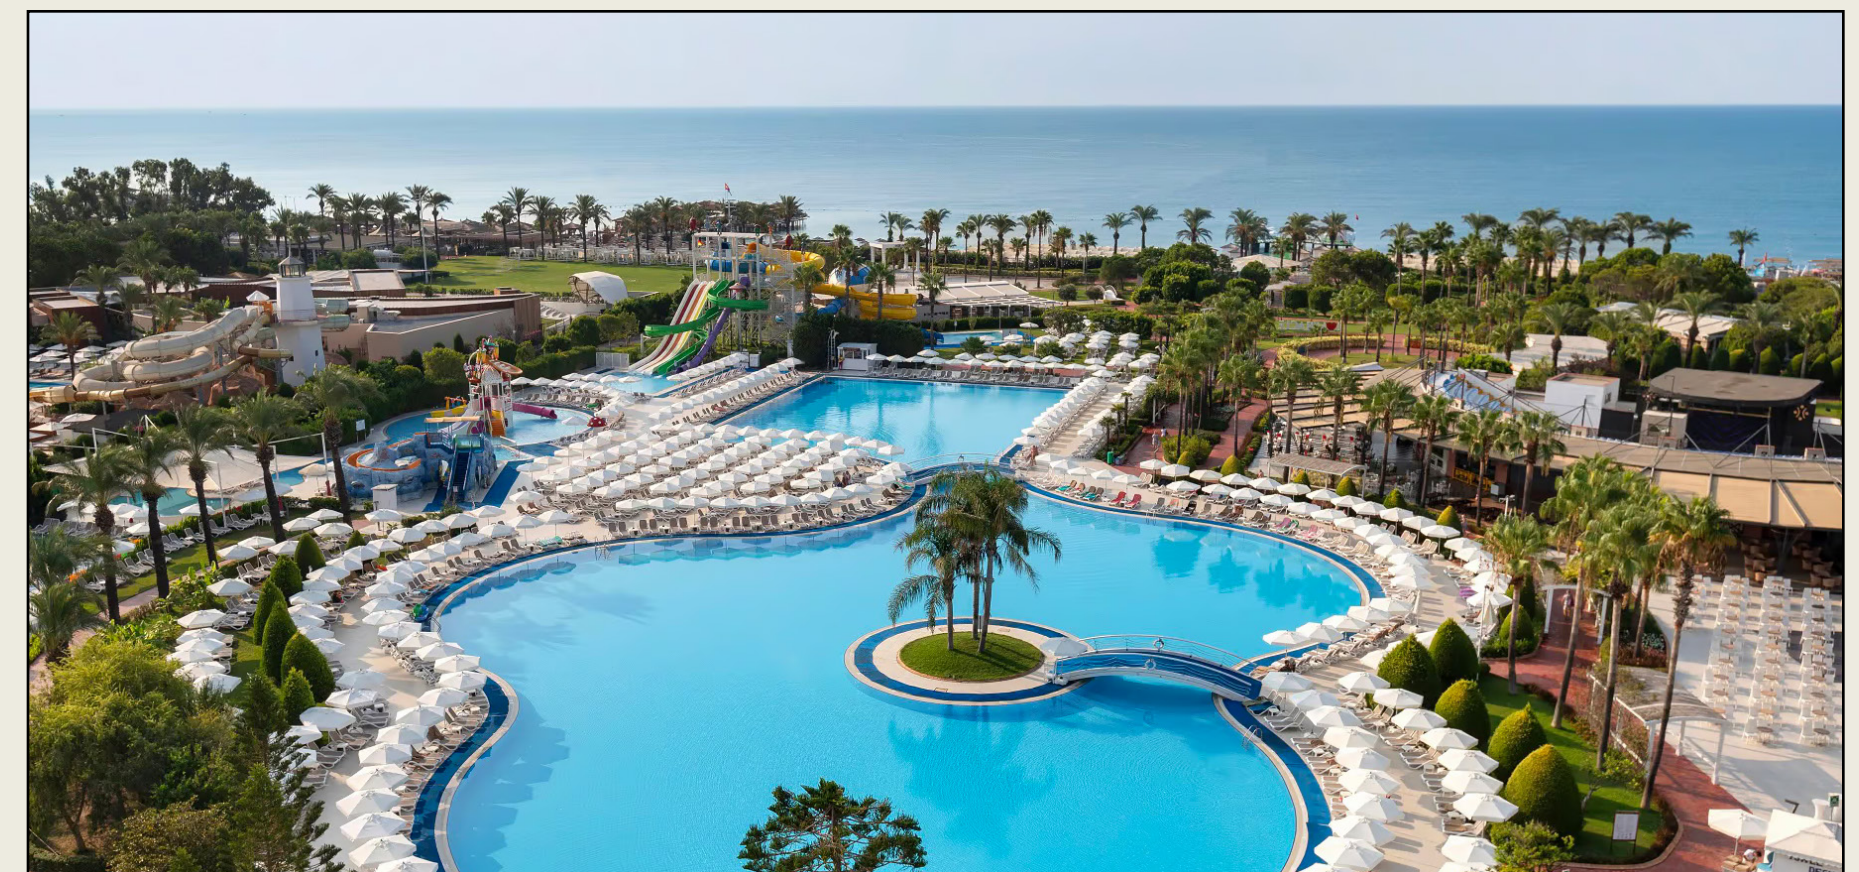

Miracle Resort Hotel *****

The Miracle Resort Hotel in Lara is an exceptional 5-star venue located directly on the sandy beach and only 15 km from Antalya Airport combining comfort, accessibility, and a premium event experience. With its distinctive architecture, extensive leisure facilities, and high-quality service, it offers an ideal environment for both conferences and relaxation.

For business events, the hotel features multiple modern meeting rooms, advanced audiovisual infrastructure, and a dedicated event support team. **The highlight is the 1,200 m² Olympos Hall**, a versatile main venue designed for plenary sessions, exhibitions, and large corporate gatherings. Its flexible layout and contemporary design provide a prestigious setting for any professional programme.

Participants enjoy excellent on-site amenities, including diverse dining options across five restaurants, spacious rooms, wellness facilities, pools, and entertainment areas ensuring a productive and enjoyable conference experience from start to finish.

The Miracle Resort Hotel seamlessly blends professional efficiency with a resort atmosphere, making it the perfect location for impactful meetings, networking, and memorable events.

02 — Why Sponsor TCNDT?

Sponsoring TCNDT provides an opportunity to position your organization at the forefront of the Non-Destructive Testing industry. As one of the region's most influential technical gatherings, TCNDT delivers strategic advantages for brands seeking visibility, thought leadership, and meaningful engagement with key stakeholders across multiple industrial sectors.

A. Strategic Brand Positioning

Align your organization with a conference that represents excellence in asset integrity, safety, and advanced inspection technologies. TCNDT's reputation as a high-level technical platform enhances your brand's credibility and visibility across national and international audiences.

B. Direct Access to Decision-Makers

TCNDT brings together senior executives, technical directors, Level 3 specialists, plant operators, procurement leaders, and global technology suppliers. Sponsors gain direct access to stakeholders who influence major investment and purchasing decisions in energy, aviation, petrochemicals, automotive, and manufacturing.

C. High-Value Networking and Business Development

The conference facilitates structured and informal networking opportunities, enabling sponsors to engage with potential clients, partners, and collaborators. Exhibitors and sponsors benefit from targeted interactions designed to support lead generation, partnerships, and market expansion.

D. Showcase Innovation and Technical Leadership

Demonstrate your technological capabilities, present solutions, and highlight your expertise to a concentrated audience seeking the latest advancements in NDT. TCNDT offers a premium environment to launch new products, share case studies, and reinforce your leadership in inspection innovation.

E. Visibility Across the Entire NDT Ecosystem

Your brand will be prominently showcased before professionals from inspection companies, research institutions, certification bodies, industrial plants, government organizations, and equipment manufacturers. This broad exposure ensures long-term visibility beyond the duration of the event.

F. Contribution to Industry Advancement

By sponsoring TCNDT, organizations signal their commitment to elevating safety, integrity, and technological excellence within critical industries. Support for this conference demonstrates leadership and responsibility in shaping the future of NDT.

03 — Attendee Profile

TCNDT brings together a highly qualified, multidisciplinary audience representing **the entire Non-Destructive Testing ecosystem**. The conference attracts professionals involved in field applications, strategic decision-making, academic research, technology development, and regulatory oversight.

Industry Professionals

Qualified engineers and technicians certified under SNT-TC-1A, CP-189, ACCP, ISO 9712, NAS410, DIN-EN 4179, responsible for performing and validating NDT across industrial operations.

Decision-Makers & Managers

Leaders overseeing inspection programs, quality control, production, maintenance, procurement, and asset integrity. This group drives investment and equipment selection decisions.

Academia & Research

University experts, scientists, and training institutions presenting new studies, innovations, and practical applications while fostering industry-academia collaboration.

Technology Providers

Manufacturers and developers of UT/PAUT/TOFD systems, radiography solutions, EC/MT/VT equipment, software platforms, and AI-based inspection tools.

Government & Certification Bodies

Regulatory authorities, accreditation agencies, and standardization institutions ensuring compliance and sector development.

Students & Emerging Talent

The next generation of NDT professionals seeking education, career opportunities, and industry exposure.

150 - 250

Expected presentations

04 — Conference Themes

Core Technical Themes

- + Advanced Ultrasonic Testing (UT, PAUT, TOFD)
- + Radiography & Digital Imaging
- + Eddy Current & Magnetic Testing
- + Acoustic Emission
- + Thermal & Visual Inspection
- + Corrosion, Fitness-for-Service, and Failure Analysis
- + Tank, Pipeline, Vessel & Structural Inspection
- + NDT in Renewable Energy & Nuclear
- + Metallurgy & Materials Integrity
- + Concrete NDT

Cross-Industry Themes

- + AI and Digital Transformation in NDT
- + Robotics & Automation
- + Data Management & Cloud Solutions
- + Workforce Development: Training, Certification & Safety
- + Case Studies from Oil & Gas Sector, Petrochemical, Mining, Iron & Steel Manufacturing, Automotive, Defense, Civil & Infrastructure, Aviation & Aerospace Sector

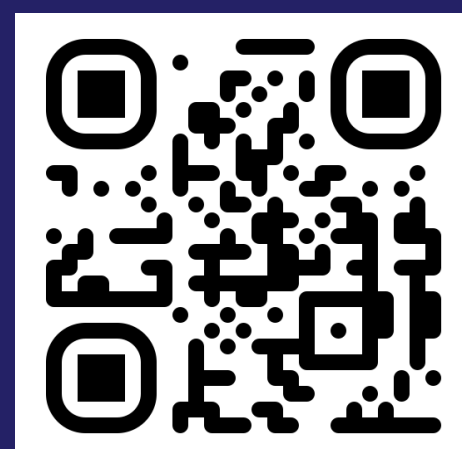

05 — TCNDT Sponsorship Opportunities

Sponsorship at TCNDT – Turkish Conference on Non-Destructive Testing is designed to elevate your company's visibility before, during, and after the event. By selecting a sponsorship tier and corresponding benefits, you can shape a presence that aligns with your company's brand, strategy, and commercial objectives.

Tailored Solutions

Our team is available to support you in designing a sponsorship package that meets your business goals.

We will guide you through available options, premium placements, and exclusive functions to help you make an informed decision.

Contact us to explore custom solutions and build a sponsorship package that reflects your company's priorities, strengthens your market position, and maximizes engagement with key decision-makers across the global NDT community.

How to select your sponsorship package

1

Select Your Sponsorship Tier

Choose the participation level that best aligns with your strategic objectives:

Platinum | Gold | Silver | Bronze

2

Customize Your Package

Enhance your sponsorship tier by selecting additional items from our inventory to create a tailored package that maximizes your brand impact.

3

Match Your Tier Requirements

The total value of your selected items must meet the minimum investment threshold associated with your chosen sponsorship tier.

Sponsorship tiers

Platinum
€ 15,000

Gold
€ 10,000

Silver
€ 5,000

Bronze
€ 2,500

06 — Sponsorship tiers

	Platinum	Gold	Silver	Bronze
